Reference Dryer Installation:

Dear Sir or Madam:

Our company just completed an upgrade to our production equipment. We contracted with FA Industrial Services, Inc. to remove our dehydrating dryer and put in place a rebuilt dehydrating dryer. This involved the use of a crane and numerous other pieces of equipment. Before and during the project, Jim Storti (Project Manager) kept me well inform of progress and scope of job his crew was performing.

During my career I have been involved in many projects; from small equipment setups to complete manufacturing setup operations that have used similar type companies. Jim Storti and his crew from FA Industrial Services Inc. completed there task here on a very professional level and I would recommend them to any company needing any of their services.

Sincerely

A handwritten signature in black ink that reads "Mark Stauber". The signature is written in a cursive, flowing style.

Mark Stauber,

Vice President / Plant Manager
